PLEASE WELCOME OUR NEW HEAD OF SCHOOLS!

It is our pleasure to introduce Sarah Drinkwater, our new Head of Schools. Sarah joined AchieveKids in May 2023. She has worked in the area of Special Education for many years, including in school districts and at the state level in Oregon. She is knowledgeable about teaching materials and about providing quality services to help all students grow and achieve. She values working with families by building respectful relationships to help maximize each child's success. We are excited to welcome Sarah to our AchieveKids family.
