March 25, 2020

Parents, Guardians, and Caregivers,

As you may be aware, and as you may be hearing from your districts, the County Of Santa Clara, in partnership with six other county Offices of Education and Public Health, has announced the extension of school closures. Given the guidance, AchieveKids school campuses will remain closed until May 1st, and we will continue implementing our plan for distance learning. Our calendar will be the following:

- Present to April 3rd: Distance Learning
- April 6th through April 10th: Our scheduled spring break. During this time our buildings will not have office hours, and our employees will be off
- April 13th through May 1st: Distance Learning
- May 4th: Scheduled return to campuses

Our hope is everyone is staying safe and healthy. We miss seeing our students on our campuses daily and hope we can return everyone sooner than later. At the same time, we want to ensure the overall health to everyone in our community. We know this is a tremendous challenge, and we want you to know that we are here to support you as we can with the restrictions that are in place. If you have any direct needs, please be sure to let your teachers, service providers, or anyone at AchieveKids know so we might be able to help as we are able.

Thank you and stay safe,

Ryan C. Eisenberg, Ed.D.
Executive Director
